### **Make Veterans Day a Family Day!**

The White City Department of Veterans Affairs (VA SORCC) invites the community, Veterans, active duty, and their families, to join them on Veterans Day as they host a Veterans Day Celebration on November 11, 2012 in the facility's Theater. The celebration salutes our Nation's Veterans and active duty military, and features a mini-concert by the Rogue Valley Symphonic Band. A special Veterans recognition, Children's Patriotic Activity Booth, information booths on available VA services, and refreshment social are also slated. Additionally, the event will honor America's Fallen Heroes. An OEF/OIF/OND Memorial and Flag Folding Ceremony are among the Honor Tributes planned.

The event begins at 10am and concludes at 12 noon giving families time to participate in other community happenings around the Valley.. For more information go to [www.southernoregon.va.gov](http://www.southernoregon.va.gov) or Facebook us.
